

## THE PROBLEM

# BDRs Spend **80%** doing cold-calling

Only ~10% of cold calls answered. Most emails and LinkedIn messages ignored. The chasing never stops.

## Autonomous Multi-Channel Agent

Detects buying signals, personalizes outreach, and follows up until a qualified meeting is booked.

## BDRs Create Value Again

Stop chasing. Start selling. Time goes to real conversations.

# How It Works

01

---

## Detect Buying Signals

Hiring, leadership changes, fundraising, LinkedIn activity

03

---

## Generate Personalized Outreach

AI calls, emails, LinkedIn messages, voice notes, automated follow-up

05

---

## Book Meeting

AI handles the conversation, finds timing, books into BDR's calendar

02

---

## Identify Right Prospects

AI messaging, value decks, company & persona context

04

---

## Launch Multi-Channel Outreach

AI calls, emails, LinkedIn messages, voice notes, automated follow-ups

06

---

## Seamless Handover

Calendar invite, follow-up email + deck to prospect, summary to BDR & Modjo

# The pipeline

// from LLM call to first touch
